

DC Solid State Relay

S1D-4010WD

NEW!

Load voltage DC450V

S1D-4010WD

- High-speed and high-frequency control
- Operation indicator with LED
- Private heat-sink in options
- Safety cover in options

Specification

Load voltage range : DC5～450V
Maximum load current : 10A
Input voltage range : DC4～28V

S1D series lineup

S1D-0540WD

- Load voltage 50V
- Maximum load current 40A

S1D-0515WD

- Load voltage 50V
- Maximum load current 15A

S1D-1010WD

- Load voltage 120V
- Maximum load current 10A

S1D-2005WD

- Load voltage 200V
- Maximum load current 5A
